

## Library Influencer

### Task List

- List your 5 favourite books, movies, or games
- Find 5 books/movies/games that are coming out in the next year that you would like to read
- Share a review about the last book you read (2-5 sentences)
- Find at least one book, movie or game you think we should add to the Library's collection
- Describe your general interests and why you shared these suggestions

### Choose your format:

- 2 minute video or audio recording
- Brochure
- Slide show
- Poster
- Newsletter
- Your choice!

### About this gig

Earnable Hours: 4-5

Tell us all about your favourites! We want to know: What books you like to read? Which movies and TV shows are your go-tos? Are you a gamer? Tell us about that!

Sometimes staff are unsure what to recommend to teens. Give us some suggestions so the next time a teen or parent has a question, staff have an answer.

### Task List

- Research the different services or spaces at the Library
- Select a specific service or space to explore further
- List things that are working well or that you like
- With reasons and examples, suggest a change to the space or service

### Choose your format:

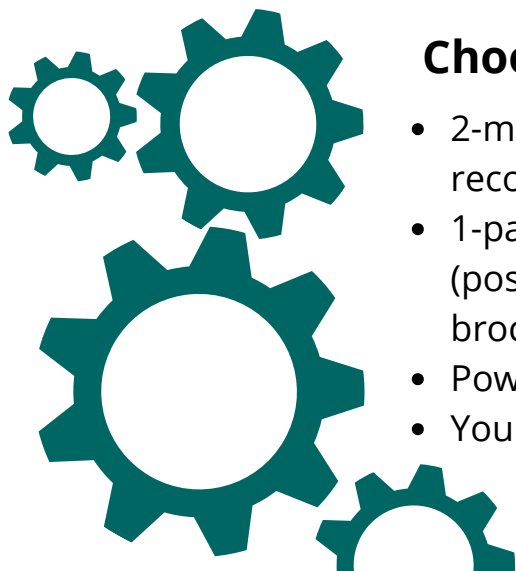

- 2-minute video or audio recording
- 1-page printed document (poster, pamphlet, brochure...)
- PowerPoint Presentation
- Your choice!

### About this gig

Earnable Hours: 3-4

Do you like using the Library? Why or why not? We want to know!

Share your feedback about the Brantford Public Library's spaces and services and how you think they could be better for youth.

# SHOW US HOW

## Tech Guru

### Task List

- Select a maker or technology item from the Library's collection
- Research and learn how to use it
- Think of an activity or project to complete with that item
- Create a how-to guide to show staff how you use the item

### About this gig

Earnable Hours: 6-8

The Library has a lot of different maker and technology items that are available to borrow. With so many items, we run out of ideas for projects.

Show us how you would use one of these items so we can try it out for ourselves!

### Choose your format:

- 5-minute video
- Written how-to guide
- PowerPoint presentation with instructions
- Your choice!
